

# WSQ Workplace Productivity with Presentations

COURSE DURATION

**17 Hrs**

COURSE REFERENCE NO.

**TGS-2023020686**

MODE OF TRAINING

**Classroom**

FUNDING VALIDITY

**Till 4 May 2025**

This course aims to equip learners with the knowledge and abilities to plan, design and script presentations that fulfil defined objectives and meet the information needs of the target audience. Learners will be able to use presentation tools to display information in text, graphical and chart forms. Learners will be able to apply techniques to engage with the audience to deliver their messages across effectively and persuasively.

## Course Objectives

By the end of this course, learners will be able to:

- Identify presentation objectives and target audience, plan and script presentation with appropriate design principles and communication techniques
- Create presentations using appropriate presentation type and communication tools in accordance with organisational guidelines
- Identify best practices to engage with and modify the final presentation to suit the needs of the target audience

## Who Is This Course For

- This training is relevant to any persons who need to understand fundamental presentation concepts and need to be able to effectively use presentation tools to plan, create and deliver attractive and impactful presentations.
